

## Lina

Hello! I am Lina. Today I will show you the parts of our body.

Here you can

see my **head**,

my **hair**,

my **eyes**,

my **ears** and

my **mouth**.

The **neck** is

under the head.

This is my **tummy**.

This is one of my  
shoulders. I have  
two **shoulders**.

We have two

**arms**: One arm on  
each side.

Here are my

**hands**. I have five  
**fingers** on each  
hand. That makes  
ten fingers.

I have a **back**, too. I sit on my **butt**. We have two **legs** and two **feet**. There are five **toes** on each foot. How many toes do we have?
