

## Seasons

In winter, in winter  
we like to skate on ice.

In spring time, in spring time,  
the flowers are so nice.

In summer, in summer,  
we watch the bumblebee.

In autumn, in autumn,  
we pick apples from the tree.

- 2** The north wind does blow,                      He'll sit in a barn,  
And we shall have snow,                      And keep himself warm,  
And what will poor robin do then,              And hide his head under his wing,  
Poor thing?    Poor thing.
